LETTER OF SUPPORT FOR THE NEW REVELATION CHOIR'S CALL TO WORSHIP

Calvary greetings in the name of our Lord Jesus.

The New Revelation Choir (TNRC) is a group of young, vibrant, creative and godly people with a mission to show forth the Glory of God through music conquering the mountain of media and entertainment.

We have the tradition of commemorating our anniversary with a concert annually but due to the lockdown, we haven't done any since 2020. To mark this year's anniversary, it is our desire to have a night of worship.

This concert is not just for the tradition but with an aim to call God's people back to the place of worship which is our purpose of being on earth.

John 4 vs 23-24 ([23] *But the hour is coming, and now is, when the true worshipers will worship the Father in spirit and truth, for such the Father seeks to worship him. [24] God is spirit, and those who worship him must worship in spirit and truth.*).

During these times, true worshippers are lacking in the household of faith as a result of being too busy, religious (performance-based Christianity) and for some young people being woke. We desire for brokenness to return to the place of worship, true reverence to God not just for what we want him to do for us but for who He is.

Hence, we solicit your financial support towards our forthcoming conference.
